- Prices are subject to change without notice.
- All prices are quoted FOB Wheeling, IL. All shipments will be made freight collect.
- The product descriptions and recommended applications are outlined in Parex Product Data Sheets and Parex Instructions For Use.
- Custom Colors: For orders less than 6 pails of one customer color, a surcharge of 30% will be applied. Custom colors must be approved by the customer prior to manufacturing. A 15% upcharge on standard accent and custom accent colors will be applied.
- Restocking Charge: return of goods must be approved in writing prior to shipment. If the material is in good condition, a restocking charge of 20% minimum of invoiced price will be applied. Custom colors CANNOT be returned.
- Terms of payment are net 30 days.
- A finance charge of 1.5% per month will be levied on all unpaid balances.
- Warranty period begins on date of substantial completion, but warranty obligations shall not become effective until goods subject to said warranty have been paid for in full.
- The approximate coverage of these materials are for estimating purposes only. The coverage listed may vary due to textures, wastes, substrates and application techniques and conditions.
